

# The Apostle Islands of Northern Wisconsin

JULY 12-17, 2026

## The Beauty of Northern Wisconsin and Scenic Lake Superior

Take a break from the world and immerse yourself in the “Crown Jewels of Lake Superior,” the Apostle Islands. Experience these scenic archipelago gems by land and water, marveling at the famous red sandstone sea caves, crystal-clear waters, scenic overlooks with lush greenery, historic lighthouses, and nature-carved rock formations. A visit to Wisconsin wouldn't be complete without stopping to watch the master cheese-makers and collecting treats to bring home!

### DAY 1: WELCOME TO WISCONSIN!

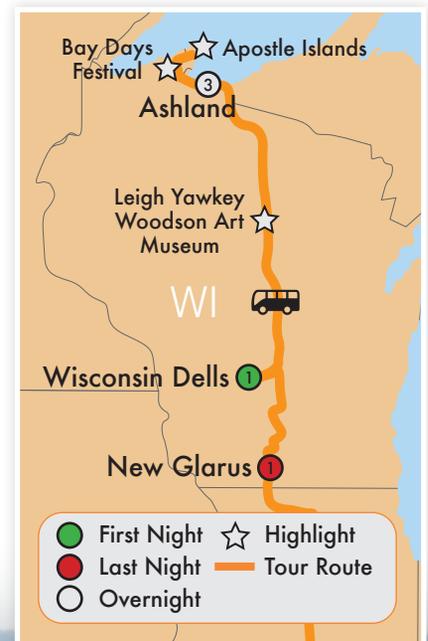

Depart towards the natural beauty and spectacular scenery of the Dells in southern Wisconsin. Enjoy a home cooked meal and great music from the Dickinson Family Band at the Wisconsin Opry. **D**

### DAY 2: LAKE SUPERIOR

This morning, embark on a journey through the striking sandstone cliffs and unique landscape of the Wisconsin Dells, shaped by ancient glaciers. Navigate the winding river narrows, pass under pine-crowned cliffs, and enjoy the breathtaking scenery. Tonight, dine at a local favorite restaurant prior to checking in for a three-night stay at The Hotel Chequamegon along Lake Superior's peaceful coast. **B, D**

### DAY 3: APOSTLE ISLANDS

In Bayfield, embark on a relaxing cruise among the Apostle Islands, so named by the missionaries who thought there were 12 islands (there are 22!). Sparkling clear waters, historic lighthouses,

spectacular sea caves, extraordinary rocky outcrops, captain's stories, and informative commentary are part of this memorable experience. Enjoy lunch at the elegant Victorian Old Rittenhouse Inn. Return to Ashland to join a local that will share stories and history of this quaint town. Then enjoy some time to explore on your own. **B, L**

#### DAY 4: MADELINE ISLAND

Take a ferry to beautiful Madeline Island, the only Apostle Island inhabited year-round. Visit the historic local museum before exploring this lovely island with a local resident who will share the joys and challenges of year-round island living—even in the winter! After lunch, enjoy leisure time on this picturesque island before we catch the ferry back to the mainland. **B, L**
